SPECIAL EVENT PERMIT – PUBLIC SPACES PLANNING CHECKLIST

Pre-planning

- Please carefully consider your event’s potential for impact on others and do your best to choose a location that minimizes negative impacts on neighbors and businesses.
- Think about everything from emergency responders’ access, to impacts on neighbors including noise and parking, to how a street closure might impact businesses in the area.
- Feel free to call us and discuss your plans prior to reserving a location or submitting an application! We are happy to guide you in selecting the most appropriate location for your particular event.
- For reoccurring events in the same calendar year, please only complete one application. You will designate multiple event dates in the application.
- The sooner you make your reservation for a location and submit a complete Special Event Permit application including all required supplemental documents, the sooner we can process it and issue a Special Event Permit.

Getting Started: What do you need to know

Do I need to fill out the Special Event Permit – Public Spaces Application?

- Will you be charging a fee for participants or will donations be collected from participants?
- Will you be selling OR serving alcohol at the event?
- Will there be amplified sound?
- Will you be selling on public property?
- Is the event being organized for the financial benefit of an organization?
- Will you need to close street(s)?
- ***If you answered ‘yes’ to any of these questions and your event will take place on public property, you will need to complete this Special Events Permit application form!***

When do I need to submit my application?

A minimum of 45 days prior to the event. Larger events or events with special requirements may take much longer to process and should be submitted substantially in advance of the event.

Please ensure your application is complete. Do not leave any questions blank or unanswered. Incomplete applications will be returned to the applicant.

How much does it typically cost?

Special events typically incur the following expenses:

- **Special Event Permit Application Fee: \$50** – A non-refundable application fee of \$50 will be required for all events.
- **Special Event Alcohol Permit Fee: \$25** – There is a non-refundable fee of \$25 if your special event will include alcohol on a public place.
- **Facility/Shelter (Park) Reservation Fee: \$25 per day** – Park fees are required for the reservation of parks and shelters. Please visit the Town Hall for reservation information or to place reservations.
- **Amplified Sounds Permit: \$25** – Non-refundable fee associated with the use of amplified sound for your event. Approval required.
- **Electricity Use Fee: \$25 per day** – Non-refundable fee for use of electricity in the course of your event. Approval required.
- **Sanitation costs** including trash/recycling services are the responsibility of the event planner and may be required as part of this application approval.
- **Costs for creation and implementation of a Traffic Control Plan** if streets are being closed or traffic impeded including barricade rental, public works assistance, and extra duty police.
- **Costs associated with obtaining liability insurance.** Insurance fees vary and are required for events on public property. Event planners are responsible for obtaining insurance coverage for the event.
- **Costs for extra duty police officers** – if required (alcohol sales, traffic control, etc.)
- Each event is unique. The specific requirements of your event may require other permits and/or fees that are not listed here. Larger events (those with 1,000 or more people) may require additional processing fees, deposits, and forms. These will be addressed on a case by case basis.

What can I expect after I submit my application?

The Ault Police Department is the main point of contact for Special Event – Public Spaces permits. You may be contacted as your application moves through the review process to discuss any questions, deficiencies or challenges, should they arise. You may be required to attend and address the Town Board of Trustees in a meeting should the application inclusions require special approval by the board. Once your permit has been approved, you will be contacted and may pick-up your permit.
